EDUCATIONAL PROGRAM SPONSORSHIPS

PINNACLE, the State Bar of Wisconsin's continuing legal education division, is the largest provider of CLE programs in the state. PINNACLE seminars are topic-specific programs held live in Milwaukee and/or Madison or through webcasts. Sponsoring a live or webcast PINNACLE event lets you cost-effectively reach a highly targeted audience who are attending programs either in person or via the Internet.

Sponsors of live programs are welcome to be onsite, however, it is not required. If you are unable to attend, the State Bar will gladly display your literature, in addition to the other signage and recognition sponsors receive.

SEMINAR SPONSORSHIPS INCLUDE:

- One 8.5 x 11" insert (PDF supplied by sponsor) included in course materials

WISCONSIN LAWYER DIRECTORY SPONSORSHIPS

The annual *Wisconsin Lawyer Directory* is an important resource in many Wisconsin law offices. Attorneys and their support staffs purchase this membership directory so that information on other attorneys, law firms, courts and selected state offices is at their fingertips.

Directory sponsors receive a full page ad on a cover or divider page, their logo on the front of all divider pages, and their logo on the order form on WisBar.org.

The directory is printed in September. Sponsorships are limited and sold on a first-come, first-served basis. The deadline for materials is July 15. Contact Karen Richter at (800) 444-9404, ext. 6132 or krichter@wisbar.org to reserve space.
