

Webcasts and Videos of Presentations Price Sheet

All options include set up, breakdown, webcast hosting, and an electronic file of the finished product. Prices are for productions using the State Bar of Wisconsin's in-house studio or recording at your location. However, using our in-house studio will cut down on our time and thus your cost.

As a membership benefit, State Bar of Wisconsin members receive a discounted rate, which is listed in middle column.

Email PINNpro@wisbar.org or call **(608) 250-6075** to discuss services, place an order, or request a quote for additional or extended services.
