The Most Up-to-Date Lists Available

The State Bar of Wisconsin is a mandatory professional association, created by the Wisconsin Supreme Court, for all attorneys who hold a Wisconsin law license. With more than 25,000 members, it is the largest legal association in the state. The Wisconsin Supreme Court requires Wisconsin-licensed attorneys to keep their contact information current with the State Bar. This means that no other compiled list of Wisconsin attorneys will be as accurate and reliable as the dynamic membership roster of the State Bar of Wisconsin.

Member Profile

State Bar of Wisconsin members are highly educated opinion leaders and decision makers. They stay connected to the products and services necessary to stay current, and competitive, in their practices. They spend a tremendous amount of time reading, researching, and responding. They attend continuing education seminars to stay up-to-date on their areas of practice.

As affluent professionals, attorneys travel for business and pleasure, purchase upscale products, regularly dine out, attend sporting events and other leisure activities, invest in real estate and other financial securities, support the economic foundation of their communities, and are generous charitable donors.
