# 33rd Annual Environmental Law Update

**Co-produced with the Environmental Law Section of the State Bar of Wisconsin**

## Essential issues in 2021

A new year. A new administration. New changes environmental practitioners need to navigate.

The *33rd Annual Environmental Law Update* is your one-stop shop for learning about the latest legislative and regulatory issues at the state and federal levels. From PFAS monitoring to clean energy initiatives, presenters will cover a wide range of topics affecting air, soil, and water quality in Wisconsin and beyond.

Plus, you'll also explore why environmental regulation is vital for ensuring all communities have the same degree of protection from environmental and health hazards.

## How you'll benefit:

- Know the latest rules, regulations, legislation, and litigation related to hazardous waste, clean air, and water
- Receive the latest PFAS report from the field
- Get tips for working with the Wisconsin Department of Natural Resources on PFAS-related matters
- Explore the role of diversity and inclusion in environmental regulation
- Know how to proceed when an ethical concern crosses your desk

## Who should attend:

- Environmental law attorneys
- Agricultural law attorneys
- Real estate lawyers
- Business lawyers
- Construction law attorneys
- Municipal and government lawyers
