# Car Crash Symposium 2022

## Take the wheel

Designed to keep you up to speed on recent developments in auto collision litigation, *Car Crash Symposium 2022* is packed with insights from both in and out of the courtroom. Experienced litigators will discuss new approaches to successful mediation, what to look for in cases involving bicycles and scooters, and ethical quandaries common to personal injury practitioners.

Plus, hear the perspectives of a judge and a guardian ad litem when it comes to settling cases involving minors.

## How you'll benefit:

- Know how to display the most compelling visual evidence to jurors at your next trial
- Consider novel approaches to organizing mediation that contribute to successful outcomes
