36th Annual Environmental Law Update

Co-produced with the Environmental Law Section of the State Bar of Wisconsin

Updates from the ground up

The *36th Annual Environmental Law Update* is back with the latest developments in federal and state environmental regulations, court decisions, and enforcement trends. Veteran environmental law practitioners will keep you current on recent Clean Air Act litigation, Wisconsin's new hazardous waste rules, trends in climate change, standards for environmental site assessments, and much more. Plus, don't miss keynote speaker Todd E. Palmer, Deputy Director of the Wisconsin Department of Natural Resources (WDNR).

HOW YOU'LL BENEFIT

- Know the latest legal developments pertaining to air, water, and hazardous waste
- Hear directly from the Deputy Secretary of the WDNR about current environmental concerns in the Badger State
- Participate in a panel discussion on climate change
- Hear updates on standards and best practices for environmental due diligence
- Conquer ethical challenges unique to environmental law practice

You don't want to miss the *36th Annual Environmental Law Update!*
